Executive Summary

- The objectives of this Project were to:
 - 1) Promote an innovative and technological development of healthcare
 - 2) Enhance health-related professionals and healthcare stakeholders' knowledge on their professions
 - 3) Develop a global collaboration networks with overseas health-related experts and professionals
- The objectives were achieved throughout the three HealthTech Forums and the contents were conveyed in the form of
 - Keynote Speech by local and overseas speakers
 - Panel Discussion
 - Parallel Sessions
 - Booth Exhibition
 - Student Project Showcase
- Three HealthTech Forums had attracted over 720 participants, including local healthcare professionals, overseas health-related professionals, local practitioners and managers in the health-related industry
- Due to the COVID-19 pandemic, the 2nd and 3rd Forums were conducted in hybrid mode with an online viewership over 22,000
